

It is the 30th Century
Earth is Different.

Human Beings were banished from the Earth
In the 25th Century
For many good and sound reasons.
Leaving behind chaos

And Chaos reigned for many years
Until at last a new Master of the Earth was chosen

And Dog came forth to rule over all the birds of the air
and over all the fish in the sea
and over all the other beasts of the field . . .
Except for Cat, who came forth to rule over Dog.

Dog said, "Woof!"
And Cat heard, "You are all wise and knowing"
Cat replied, "Meow!"
And Dog heard, "I am your obedient servant"

That pretty much says it all
